Part IV. Comparative list of old and new curriculum

Comparative Condensed Curriculum
Complete the table by listing the full sequence of courses, by semester, in the old curriculum and new curriculum. Leave the "course code" and "total credit" columns blank for the elective courses, and write "Area elective" or "University elective" in the "course title" column of such courses. Differentiate between a prerequisite and a co-requisite, write "P" or "C" in parenthesis next to the course code. Use abbreviation for course titles to fit in the column width, if necessary. Insert additional rows or delete empty rows if necessary.
